MESSAGE FROM THE EXECUTIVE DIRECTOR

Dear Partners,

As we step into the New Year, I am pleased to share reflections on our collective journey and to express my sincere appreciation for your continued partnership and support.

The past year has been one of significant engagement, learning, and progress for GAMCOTRAP. Together with our partners, we strengthened advocacy efforts, deepened community dialogues, and advanced actions aimed at promoting the rights, health, and dignity of women and girls across The Gambia. Despite ongoing challenges, our shared commitment has contributed to greater awareness, stronger collaborations, and renewed momentum toward ending harmful practices, including Female Genital Mutilation (FGM), addressing all forms of gender-based violence and maintaining the law against FGM.
